

# MIDWAY CONNECTIONS

## SUPERVISED VISITATIONS AND SAFE EXCHANGES

Midway Connections provides a safe place for supervised visitations and safe exchanges for children of parents who have experienced domestic violence. The program allows children to have the opportunity to spend time with a non-custodial parent without compromising the safety of a vulnerable or abused parent.

Our experienced team works one-on-one with parents to facilitate visitations and exchanges. We help safeguard clients by providing separate entrances, waiting rooms, and staggered arrival and departure times.

### SERVICES ARE FREE BILINGUAL SERVICES AVAILABLE

Non-custodial parents must be court-ordered to supervised visitations/safe exchanges. Additional criteria apply. Both custodial and non-custodial parents must complete the intake process.
